

Catálogo Técnico

Atualização: Fevereiro de 2019

Fundada em 1987, a ZURLO Implementos Rodoviários atende com agilidade as necessidades de implementadoras e autos peças. Determinada a melhorar constantemente seus produtos e serviços, a empresa investe em pesquisa de materiais e processos. Suas ações na Gestão da Qualidade, garantiram a conquista da ISO 9001 versão 2015, atestando a dedicação na busca pela excelência. Atualmente, a Zurlo se destaca no Brasil e no exterior, garantindo a segurança dos implementos que circulam nas estradas nacionais e internacionais.

Zurlo Implementos Rodoviários Ltda. Rua das Fruteiras, 477 (RS 453 - Km 6,2) 95045-150 - Caxias do Sul - RS - Brasil Telefones:+55 (54) 3209.8000 - (54) 9 9647-2032 zurlo@zurlo.com.br - www.zurlo.com.br

Qualidade

A área de Gestão da Qualidade da Zurlo está equipada para realizar testes e análises em matérias-primas e componentes, bem como controles dimensionais, garantindo o melhor desempenho de seus produtos no mercado. Também executa testes de vida útil, para que os produtos sejam constantemente aprimorados.

Em parceria com universidades e institutos de desenvolvimento tecnológico, a Zurlo realiza pesquisas de materiais e processos, revertendo estas informações em alta tecnologia aplicada a cada peça produzida.

Os investimentos constantes em tecnologia culminaram na conquista da certificação **ISO 9001:2015**

A certificação e as ações promovidas na área da qualidade atestam os esforços da Zurlo em prol da busca pela excelência.

Dedicação que resultou na obtenção de certificados de fabricação e adaptação junto ao **INMETRO**.

Política da Qualidade

A Zurlo Implementos Rodoviários Ltda, em suas atividades de Gestão administrativa e produtiva, tem como compromisso:

- Atender os requisitos dos Clientes visando aumentar sua satisfação;
- Atender os objetivos da Qualidade;
- Melhorar continuamente o sistema de Gestão da Qualidade.
